The contractor is directed to make the following changes to the work description for the above referenced property:

Item #5-Driveway-stop gravel to South corner of house. Do not include area in front of garage.

Item #6-City Sidewalk/City Pan-I mistakenly told a contractor not to include concrete pan, I do want this included in bid along with replacing two sections of walkway leading to entry door (in original writeup).

Item #11-Mold removal- delete this item.

New item #25-Asbestos-remove water pipe insulation in crawl space, under 50 LF so air clearance is not needed- include this in bid \$_____
